

# Guillaume MÉRIEUX

French computer engineering apprentice at ENSIIE, on a work-study placement at EDF R&D.

As part of my engineering degree, I am seeking an assignment abroad to complete the mandatory international mobility, for a minimum duration of two months.

## Contact

### Phone

+33 6 23 84 66 24

### Email

gmx772@gmail.com

### Address

6 Rue du Père André Jarlan  
91000 - Évry (FRANCE)

## Skills

**Programming:** Java, C, C#, Python, VB.NET

**Web:** HTML5, CSS3, JavaScript, PHP — Django & CodeIgniter frameworks

**Databases:** SQL, PL/SQL (Oracle), MySQL

**Networks:** TCP/IP, routage, FTP

**Scripting :** Bash (Unix/Linux)

**Tools:** imc STUDIO, imc FAMOS, Adobe Photoshop/Illustrator, Microsoft Office, Articulate Storyline/Rise

## Languages

- French (native)
- English (intermediate)
- Spanish (basic)

## Additional Details

**PSC – Citizen First Aid training** (formerly PSC1)

**Driving licences:** car and motorcycle

## Interests

- Fantasy novels
- Greek, Egyptian, Roman and Norse mythologies
- Formula 1 & MotoGP

## Experience

### EDF R&D

Since September 2025

### Apprentice Computer Engineer

Design and implementation of VHDL blocks on Intel MAX10 (DE10-Lite) FPGAs using Quartus for control-command systems.

### Gendarmerie Nationale

2021 - 2025

### IT Technician

Management and maintenance of the center's IT assets; cybersecurity awareness and training; familiarity with cyber-crime procedures; handling of digital seizures and requests; design of IT courses for both remote and in-person teaching; administrative duties.

### imc Test & Measurement GmbH

2019 - 2020

### Apprentice IT Technician

Autonomous development of industrial programs; module programming and calibration of measurement systems; use of electrotechnical, mechanical and soldering tools; contribution to the software development team; technical support via hotline; testing on measurement benches.

## Education

### Engineering degree in Computer Science – Since 2025

National School of Computer Science for Industry and Business (ENSIIE) – Évry (91)

### University Diploma of Technology in Computer Science – 2018 to 2020

University Institute of Technology (IUT) of Sénart-Fontainebleau – Fontainebleau campus (77)

### Scientific Baccalauréat (French High School Diploma) – 2015 to 2018

Uruguay-France High School – Avon (77)

## Responsibilities

**Student representative** for the Computer Science department (IUT).

**IUT ambassador** during Open Days.
